# WALL iBBQ system

WALL iBBQ is a barbecue concept specifically developed to meet your daily needs and comfort, making your barbecue easy! Made of 5mm hard steel, concrete and high performance refractory ceramics, it allows you to barbecue continually trough hours, with a very low charcoal or wood consumption. High performance, concentrated in an extremely compact BBQ. Just close it when it's not being used, looking as an elegant black metal box. Easy maintenance. Clean the ashes easily, by just closing the WALL iBBQ and extracting the ash drawer.
